

Athletes Recognized for National Girls & Women in Sports Day

Three Redfield / Doland women athletes were recognized on Friday, February 5, between the JV and varsity girls basketball games against the Clark / Willow Lake Cyclones for National Girls & Women in Sports Day (NGWSD).

Seniors Kate Gillette, Alli Tschetter, and Sarah Rozell were nominated by their coaches for demonstrating the qualities of excellence in sports skills, leadership, self-discipline and perseverance.

NGWSD began in 1987 as a day to remember Olympic volleyball player Flo Hyman for her athletic achievements and her work to assure equality for women's sports.

In honor of NGWSD, athletic director Mr. Joel Osborn began locally recognizing female athletes six years ago in the RD athletic program. The award honors female athletes involved in at least two sports and who serve as good role models to inspire younger girls. The recipients received a certificate of acknowledgment and their names are listed on the SDHSAA website.
