

# Spanish Students Attend Culture Fest

by David Kastner

On Friday November 6<sup>th</sup>, 2015, 28 eager Spanish students traveled to Aberdeen's Northern State University to take part in the annual Culture Fest.

There the students were allowed to walk around the festival and get a feel for a variety cultures, try different foods of the culture, and take part in games and crafts and many fun activities to enhance their cultural learning. Also at the festival there were songs and dance entertainment on stage symbolizing different cultures, and during the

Zumba session on stage, students were encouraged to get on stage and practice their Zumba moves. Culture Fest was also a great time to meet their E-Learning Spanish teacher's, this year's instructors for Redfield are Paula Wetenkamp who teaches Spanish 1, and Danielle Thoofth who teaches Spanish 2.
