by Taylor Voegele, senior

With hot cocoa warming their hands RD Pheasant fans huddled underneath layers of blankets to try to keep warm on a chilly October evening. On October 3, the Pheasants met up with Tiospa Zina at the Doland Homecoming football game.

After the parade

and pep rally, the Pheasants were pumped up and ready for a challenge, but it seemed like Tiospa Zina forgot to show up to the game.

By the end of the first quarter, the Pheasants had scored 26 points and continued their scoring rampage with another 28 points in the second quarter. The Pheasants held Tiospa Zina to a mere eight points in the first half, and when Redfield scored another touchdown in the third quarter, the game was officially over.

When all was said and done, six Pheasants had contributed touchdowns to the victory. Jake Baloun started the scoring frenzy with the first two touchdowns of the game. Sully Masat scored the third and fourth touchdowns, and Kyle Stover, Alan Masat, and Carter Klapperich each added points to the board. Ephram Albrecht caught a 32 yard pass and ran it in untouched; Stover added another touchdown at the end of the first half. Cooper Baloun scored in the third quarter, ending the game due to the mercy rule. Cooper Baloun also led the team with ten tackles.

The Redfield-Doland Pheasants gave it their all that night and totally shut down Tiospa Zina. The Pheasants scored enough points to end early in the third quarter. According to junior Bradyn Binger, "It didn't really feel like a game; it felt more like a practice."
