

Senior Spotlight: Elizabeth Esser

by Hailey Wacholz

Elizabeth Ann Carly Esser was born on October 9 to Jay and Deb Esser. She has three sisters named Olivia, Ashley, and Alexis.

The extra-curricular activities that Elizabeth participates in include basketball, NHS, FBLA, FFA, and student council.

Esser's accomplishments include Presidential academic awards, third at State FBLA in Word Processing, and ninth at State FFA for Agbusiness. Elizabeth's hobbies include swimming, fishing, being outdoors, and going to the lake.

When she was younger she wanted to be a teacher. Her plans now are to attend SDSU for nursing. In ten years Elizabeth sees herself working as a traveling nurse.

When asked what her favorite memory from high school was she replied, "when Madison put a frog in Kyle's shirt as we were taking a picture outside the depot." What she will miss most about high school is seeing everyone every day.

When Elizabeth graduates she wants to be remembered as a hardworking individual.
