# Senior Spotlight: Jade Hofeman

by Hailey Wacholz

Jade Hofeman was born on September 20 to David and Denise Hofeman. Jade's accomplishments include graduating high school.

When Jade was younger he wanted to be a computer repairman. His plans now are to go to Lake Area Technical Institute. In ten years Jade sees himself having a job he enjoys doing. His favorite memory from high school was the lock down in the PE building.

When asked what he will miss most about high school Jade replied, "seeing everyone in my class." When he graduates he wants to be remembered as someone who never gave up.
