

# Senior Spotlight: Lexy Whitley

by Hailey Wacholz, sophomore

Lexy Dawn Whitley was born on November 2<sup>nd</sup> to Jay and Dawn Whitley. Lexy has two brothers named Austin and Conner.

The extra-curricular activities Lexy participates in include FBLA and girls' basketball manager. Whitley's accomplishments are Honor Roll, Student of the Month, and Homecoming court. Her hobbies include attending sporting events, hanging out with her pals, going to Simply Charming, fishing, and boating.

When Lexy was younger she wanted to be a cop and to fight the bad guys. When asked what her plans are now, Whitley replied, "I haven't decided what college I will be attending. The decision is between SDSU and USD. I will be going for nursing or dental." In ten years Lexy sees herself out of college and working as a nurse or dentist in Sioux Falls. She also sees herself starting a family and living in her own house.

Lexy said her favorite memory from high school was all the bonding, both good and bad, that took place in the senior room.

What she will miss most about high school is seeing her classmates every day. After being asked how she would like to be remembered after she graduates, Lexy replied, "as a person who never changed who she was to meet others' standards."
