

## Senior Spotlight: Nick Wager

by Julia Schmitt, sophomore

Nicholas Robert Wager was born February 20, 1997 to his parents Dean and Kea Wager. Nick has three brothers Austin, Shadd, and Nathan. Some of his hobbies are hunting, fishing, camping, and just spending time outside.

When he was younger Nick wanted to be a game warden. His current plans after high school are to go to Lake Area Technical Institute. In ten years he wishes to see himself be successful. The thing that he mentioned he will miss the most about high school are spending time and making memories with friends. When leaving high school Nick wants to be remembered as someone who would help you if you needed it.
