by Julia Schmitt, sophomore

Ryan Christopher Yost was born to Leda and Michael Yost on June 19, 1997. Ryan has one brother Parker Yost. The extra-curricular activities that Yost is involved in are wrestling, golf, hunting, and fishing.

Some of the many accomplishments that Ryan has received are: three time state wrestling qualifier, placed fourth at state wrestling, and a place on the honor roll. Hobbies and interests that Ryan loves are anything outdoors like hunting and fishing. When Ryan was younger, he wanted to be batman but now his plans after high school are to go to SDSU for pre-med.

When asked where Ryan saw himself in 10 years he replied very clearly that he still wished to become batman. Yost's favorite memory from high school was when Mr. Lewis got pulled over. The thing that Yost will miss most about high school is spending free time with family and friends. When asked what he wanted to be remembered as after high school Yost replied, "As Batman!"
