

Senior Spotlight: Sidnee Davis

by Hailey Wacholz, sophomore

Sidnee Marie Davis was born on August 19 to Todd and Carmen Davis. Sidnee has one sister named Taylor.

The extra-curricular activities Sidnee participates in include competition and sideline cheer. Davis' accomplishments are winning second at State Cheer in Watertown. Her hobbies include hunting, fishing, and spending time with family and friends.

When Sidnee was younger she wanted to be a vet, but has now decided she's going to attend Lake Area to be a physical therapy assistant.

When asked where she sees herself in ten years Sidnee replied, "I hopefully see myself having a place of my own with a stable job, maybe somewhere where there isn't so much snow during the winter."

What she will miss most from high school is seeing her classmates every day and spending time with them.
