

Senior Spotlight: Skye Siebrecht

by Sarena Schley, sophomore

Skye Lyn Siebrecht was born July 19, 1996. Skye is the daughter of Cindy and Don Siebrecht and the sister of Sabrina Meidinger and Matthew Siebrecht.

She participates in competition cheer and sideline cheer; the first year she was in cheer, she helped the team win first place at State.

Skye enjoys photography and spending time with animals and family members. When Skye was young she wanted to be a cat because they have no responsibilities.

Skye says "In ten years I see myself in a very happy place, I'll follow what makes me happy. I'm not sure where that's going to lead me yet."

Of all the good and bad memories in high school, there are no specific ones to Skye, but she thinks that the best ones would have been with her friends during lunch hour.

After graduation, Skye says "I will miss how easy high school is compared to what college will be like."
